

# Samsung GALAXY Note<sup>3</sup>

## Mobile Accessories

### S-VIEW FLIP COVER

The most versatile S-View Flip Cover yet, the Note 3 S-View provides a new, multi-screen interface that allows you to do even more without ever opening the cover.

- Swipe between multiple screens to keep more information at your fingertips

**Home Screen** displays Date/Time, Battery Status, Weather, S Health Info and Incoming Calls and Alarms

**Short Cuts Screen** displays Music Controls and allows use of Camera and Action Memo with case closed

**Missed Events Screen** shows Missed Calls/Messages with Message Preview and Call Back Option

- Premium, ultra-slim construction with full S Pen and button access
- Wakes your phone automatically when opened
- Respond to calls and alarms and take calls without opening the cover
  - Swipe to Accept/Reject Calls
- Reduces smudges and scratches
- Change the color of the S-View screen background to match your cover or your personality
